

SEND YOUR TEACHER A THANK YOU NOTE FROM

# SPACE!

Educators everywhere have been working harder than ever to transition classrooms into the virtual world—and we believe they deserve a **HUGE** out-of-this-world **THANK YOU** from all of us.

This Teachers' Day, we're inviting **students and parents** to write or draw a "Thank You" postcard from space to each of your teachers, administrators, and school staff for all of their hard and inspiring work. Once you have completed your drawings, mail your postcards to the Club for the Future, and we will send them to space on a future New Shepard rocket launch with Blue Origin. When your postcards return safely back to Earth, we'll mail them to your teachers for a special space-flown keepsake.

## 01 DOWNLOAD & PRINT

Download and print postcards from our template for all your teachers, administrators, and school staff. No printer, no problem... Make your own postcard from the back of notepads, cereal boxes, or notecards.

## 02 WRITE OR DRAW

Write or draw your "Thank You" note on the postcard.

## 03 ADDRESS YOUR POSTCARD

Address your postcards with your teacher's name and the school where they work.

## 04 STAMP

Place a postage stamp on each postcard – or if you are sending multiple postcards to one school, you can package them together and the Club will send them all back to the school as a bundle.

## 05 SEND TO CLUB FOR THE FUTURE

Put all your postcards in one envelope or box and **send to:**

Club for the Future  
PO BOX 5759  
KENT, WA 98064  
U.S.A.

## 06 WATCH THEM TAKE OFF

Watch the launch of Blue Origin's New Shepard rocket to see your "Thank You" postcard fly to space and back! Subscribe to Blue Origin on YouTube for launch updates.

## 07 BACK TO EARTH

Upon an Earthly landing, your "Thank You" postcards will be stamped with an official "Flown to Space" stamp and mailed through the United States Post Office to your teachers.

From all of us at the Club for the Future, we want to say **THANK YOU** to the entire education community for all your hard work and dedication. You inspire all of us every day!
